Restore His House 3 Year Capital Campaign

The Restore His House 3 year Capital Campaign is off to a good start, but has a long way to go.

We would like to thank those who have already made a commitment.

If you have not, there is still time. Please prayerfully consider how God has blessed you and how you can support this campaign.

Donate via Electronic Giving

Did you know that Beautiful Savior offers an electronic option for giving your donations? Just like signing up to pay your bills automatically, the *Simply Giving* program offers convenience for our members by allowing you to not have to write a check or remember your offering envelope on Sunday morning. At the same time, it provides much-needed donation consistency for our church.

Simply Giving is a secure direct debit giving program used to automatically transfer funds from your checking or savings account to the church's bank account on a monthly, semi-monthly or bi-weekly basis.

As you consider your contributions for 2019, please also consider signing up for Electronic Giving. The authorization form can be picked up from the church office or downloaded from the church's website under the "Resources / Forms" tab.
