## Family, Especially Fathers, Make a Difference in Faith Formation

By Pastor Chris

Faith is a gift from God. The apostle Paul affirms this truth in Ephesians 2:8-9, writing: "For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast."

Through Word and Sacrament, the Holy Spirit creates plants and sustains faith in us. In his explanation to the third article of the Apostle's Creed, Martin Luther writes: "I believe that I cannot by my own reason or strength believe in Jesus Christ, my Lord, or come to Him; but the Holy Spirit has called me by the Gospel, enlightened me with His gifts, sanctified and kept me in the one, true faith."

Yet the influence of parents, especially fathers, on their children's faith formation should not be underestimated.

For the majority of Christians, as the father goes, so go the children. According to data collected by several empirical studies: If a father does not attend church, even if his wife does, only one child in 50 will become a regular worshiper at adulthood. If a father attends church regularly, regardless of what the mother does,

## BSLC Stand Against Homelessness Oct. 12-13

All youth, their families and members of the congregation are invited to experience what it is like to be homeless for a day. Participants are asked to sleep outside in a cardboard box, fast for 24 hours and learn more about the problem of homelessness in the community and the resources available to assist those in need.

The event starts at noon on Saturday, Oct. 12, and concludes at noon Sunday, Oct. 13. Registration forms are available in the narthex or on the church website. Contact Pastor Chris for more information.

## BSLC Congregational Stand Against Homelessness

Join our congregation's fight against homelessness in the F-M area by bringing canned goods until Oct. 13 to fill the shelves of the Dorothy Day food pantry. Items needed include: canned fruits and vegetables, side dishes, macaroni and cheese, soups, pasta sauce, salt, pepper, seasonings, miscellaneous baking items (brown sugar, frosting, baking mixes, etc.) and snack items. Please check expiration dates and NO glass containers.

## Family, Especially Fathers, Make a Difference in Faith Formation (Continued from Page 1.)

between two-thirds and three-quarters of their children will attend church as adults.

When both parents attend Sunday Bible study in addition to service, 72 percent of their children attend Bible study when grown. When only the father attends study, 55 percent of the children attend when grown. When only the mother attends, 15 percent of the children attend when grown.

If we truly care about the welfare of our families, attending church services and Bible study regularly is a good start. The influence of parents, coupled with God working through Word and Sacrament, offers countless blessings for children.

In addition, family devotions, prayer, conversations and other faith formation activities give other opportunities for God's Word to do its glorious work. Family faith formation is how God told Israel to guide their children: "And these words that I command you today shall be on your heart. You shall teach them diligently to your children and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates," (Deuteronomy 6:6-9).

Luther wrote the following concerning the importance of family faith formation: "Most certainly, father and mother are apostles, bishops, and priests to their children, for it is they who make them acquainted with the Gospel...there is no greater or nobler authority on earth than parents over their children, for this authority is both temporal and spiritual."

In the coming months, Beautiful Savior will be providing resources for families to grow in faith together. Know that this labor of love is not in vain, but rather, is blessed by God as He moves us to celebrate the salvation and eternal life Jesus has won in our daily lives.

## Upcoming Bible Studies

**9:30 a.m. Sunday morning Bible study will provide critical evaluation of evolution, old earth** - Beginning Sunday, Oct. 6, we will begin a Two-week exploration of evolution in "Dismantled." We will explore questions of evolution using observable science. This video is an excellent resource to help families discover that science supports the Biblical account of a six-day creation and young earth. Students in seventh through twelfth grades are welcome and encouraged to join the study.

**5:45 p.m. Sunday night Family Bible Study: "The Chosen - Season 4"** - See the Bible come to life through "The Chosen" video series. We will watch one episode each week followed by a brief discussion. Bring a dish to share, and at 5:45 p.m., we will have a potluck meal in the fellowship hall, watch the nightly episode at 6 p.m., have a discussion at 7 p.m. and end our study by 7:30 p.m. Bring your family and friends for a night of fellowship and faith.

**7 p.m. Tuesday night Bible study: "God's Encouraging Word: True Comforts When Worldly Advice Fails"** - "Just be positive!" "God only gives you what you can handle." "Others have it harder." People mean well when they say these phrases. They intend to offer comfort and help during difficult times. Yet do these self-help phrases actually offer comfort to you? Do they make things feel worse? Do they align with God's Word? Author Faith Doerr has heard her fair share of these phrases during struggles in her life. And she knows first-hand how they feel like 'nails on a chalkboard' from the receiving end. If these phrases don't offer comfort, then is there something that can? Scripture. God's Word is full of true comfort that can help you in times of trouble and distress.

**9 a.m. Thursday Women's Bible study "Finding Rest in a Busy World"** - In *Finding Rest in a Busy World*, you will explore what the Bible has to say about the importance and value of rest. You will learn ways to recognize if your schedule has gotten out of control and how you can apply the brakes to restore healthy boundaries in your life. Even more, you will discover how God promises you can rest in who He is, what He's done for you, and what He will do for you.

## "Main Street Living North" TV Program News

With October comes our church's commemoration of the Reformation and Luther's stand for the truth of Holy Scripture! Today, it is also quite obvious that there is need for another reformation as we see worship service attendance on the decline, as well as what is being taught in many so-called "Christian" churches. Rather than teaching according to God's Word, the sanctity of human life, God's sacred plan for marriage and gender and other Biblical teachings, some of those churches' teachings have been turned upside down as in the days when Isaiah warned of those who call evil as good, and good as evil. Holy Spirit, help us remain ever faithful to your Holy Word!

To add your financial support, send checks to Main Street Living North, 821 Fifth Ave. S., Fargo, ND 58103, or donate by credit card or your PayPal account on the website. God's blessing in Christ!

Lastly, we would like to thank every single person who has prayed for the construction project and for our teachers and staff, for our volunteers who stepped up every time we asked, and for our families who have shown great patience as we held school off-site for three weeks.
